## WAR TIME WORK

An idea of what the Presbyterian churches are doing in war time, in just one line of many, is found in the Ladies' aid of the local church, who in one week turned out completed: 100 bath mits, 14 T bandages, 12 Red Cross shirts 5 pneumonia jackets, 55 knitted eye bandages and 1 layette by the Mothers of the Cradle Roll department through Mrs. J. C. Piercy, for the local Red Cross.

**NYE COUNTY RED CROSS**  
At 3 o'clock this afternoon the Nye county Red Cross headquarters reported that the total subscribed in Tonopah had reached \$5034, with an additional \$2198 from outlying districts.

GRIM LEGACY OF A MURDERER  
FOR FIRST HUSBAND OF VICTIM

(By Associated Press)  
SALT LAKE CITY, Utah, May 25.—Howard H. De Weese, who was shot here yesterday for the murder of his wife, Fannie Fisher De Weese, left a grim legacy for his wife's former husband.

It is a silk handkerchief and the bullets which passed through the heart of De Weese, first passed through the bit of silk which he had pinned over his chest. Before his execution De Weese secured the warden of the state prison to forward the handkerchief, together with a note to Fisher in New York. The letter, dated at the Utah state prison, last Monday, reads: "Mr. H. W. Fisher, 150 Second avenue, New York:

STEEL FLAGSTAFF  
INSTALLED TODAY

Nye county has a flagstaff of which every citizen should be proud. This is from the shops of the Tonopah Mining company and is formed of steel piping standing 60 feet high with eight feet planted in the ground and firmly cemented with concrete. The pole was brought down the hill last night by 28 husky members of the Home Guard who carried it on their shoulders to the spot where it was raised this morning. The staff will be used for carrying the honor flag awarded Nye county for going over the top with the Liberty Loan. This will not usurp the place occupied by the Boy Scouts' flagstaff and the boys will continue to display their flag as usual.

BUREAU OF MINES  
CAR AT GOLDFIELD

Bureau of Mines car No. 1, in charge of J. J. Forbes with five assistants, passed through here this morning on the way to Goldfield where the car will be stationed until next Saturday when it will be moved to Tonopah to remain for a week. The car is equipped with the most modern appliances for fighting fire and gases in underground construction and during the stop in camp the Safety First classes will receive additional instruction.

I loan you a watch to carry while I repair your own. I am the finest watchmaker who ever came to Tonopah. Emil Merman at Robert's Grocery store. advM12tf

## PERSONAL

HARRY EPSTINE, the broker, returned to San Francisco by this morning's train.

JOSEPH L. JOSEPH, president of the MacNamara Mining company, went out on No. 23 for his home in San Francisco.

J. B. Nay and wife arrived overland from Reno in their new four-cylinder Studebaker car yesterday afternoon and left today for their ranch on Barley Creek.

MRS. ADA FISK, sister of Percy Train, accompanied by Miss Vivian Train, left this morning for Helena, Mont. They were accompanied from Manhattan to the depot by Mr. and Mrs. Train and family.

JUNE PECK, recently employed by the Nevada Gas company and one of the early day blacksmiths of Tonopah, was a passenger this morning for the coast, where he goes to engage in the shipbuilding industry. Mrs. Peck will remain here for the present.

J. H. JOHNSON and wife left this morning for Ontario, Canada, where they will make their home. Mrs. Johnson is a sister of W. J. Williams and she, with her husband, have been visiting the Williams' family during the past week, having come here from Reese River, after disposing of their ranch, which they owned for the past 25 years.

## MEMORIAL DAY CELEBRATION

Mrs. B. Coombs, patriotic instructor for the Women's Relief Corps, has interested herself in securing a suitable celebration for Memorial Day by appealing to the business community to observe the holiday by suspending business. The grocers and butchers have consented to close all day and the barber shops will close at noon. The details of the patriotic programme which will probably be rendered at the Air-dome have not yet been completed.

## AMUSEMENTS

BUSHMAN AND BAYNE  
AT THE BUTLER

In "Under Suspicion," the feature starring Francis X. Bushman and Beverly Bayne, which will be one of the attractions at the Butler this evening, a monkey plays an important part in the development of the story.

This monkey, "Peppekkle," is the pet of Mrs. Alice Woolworth (played by Eva Gordon), whose valuable jewelry are stolen, and around which the incident of the story and much of the action revolves. The monkey pulls a button off the coat of Gerry Simpson (Francis X. Bushman), and seems to thus implicate him in the great robbery. The monkey proved a very "temperamental" player and Miss Gordon, playing Mrs. Alice Woolworth, had her troubles with him. She and the monkey played in scenes in Alice's boudoir and everything started out well. Then the monkey became obstinate and Miss Gordon, who has lived in Singapore, where she owned monkeys, tried all the tricks at her disposal to pacify him, but to no avail. Before the desired scenes were obtained both Miss Gordon and the director received several scratches and bites. As an added attraction in the program, a Sunshine two-reel comedy—"A Self-Made Lady," will be shown, which is guaranteed to keep you laughing for thirty minutes straight. Tomorrow, Montagu Love, in "The Brand of Satan," and "Vengeance and the Woman." Coming Monday: Wm. S. Hart, in "The Narrow Trail."

## How Much per Baby?

Suppose you had found "another use" for your Red Cross Money, a while ago and a corresponding part of the piece of work described below went undone.

"Gas bombs were being used. 750 children suddenly thrust upon the Prefect's hand. Twenty-one of the children were infants under one year and the remainder were under eight years—herded together in an old barracks, dirty, practically unfurnished, and with no sanitary appliances. Sick children were crowded in with the well and skin disease and vermin abounded. Within two days the Red Cross workers had cleaned all the children, provided new barracks, provided medical care and nurses for the babies, secured suitable food and classified all the refugees to prevent the separation of members of the same family."

Was that money well spent?

Were those babies worth while? Well how much were they worth, per baby?

Have you given enough?
